3 Stop your sampling

- 4 After 7 days your sampling is finished

Fill in the last part of the sampling form

- 5 Remove the wristband from your wrist.

- 6 Put the wristband in the metal box.

4 Return your sample to **EXPOZOM**

- 1 Place the metal box containing the wristband and the sampling form into the envelope.

- 2 Close the envelop.

- 3 Put the envelop in a mail box

4 Get your results

Your results are presented in an anonymous individual report.

The results are available within 10 to 15 working days after the sample is received at the laboratory.

To access your report:

- ▶ Use the secured link sent to the email address used to order the kit
- ▶ Connect to **<https://rapports.science-concept.com/>**
The login is the email address and the password is the kit ID
